Dear Parents:

We sincerely appreciate and are deeply grateful for your involvement. We couldn't have done it without your support. We are also thankful that we are on-site at CWS and can pick-up students from nearby schools. **We are the only after school program to accept Pre-K.** We accept students from Pre-K to 5th Grade. **You can choose us for anywhere between 1 and 5 days per week.**

Good news! We are able to offer a **$200 discount** for returning students, and **$200 credit** for every successful referral, plus **10%** for sibling discount. In addition to the above, we offer a **10% discount** if you register by **Friday, March 30th 2018**. **Early registrants will also receive a free karate uniform ($75 value), free registration ($175), no payment processing fees ($120) and 2 free parent teacher conference camps ($150). That is up to $980 in savings! And for returning students + $200, for a total savings of $1180. To be eligible for early registration discounts, a full payment for the school year must be received by Friday March 30th, 2018. For more information about our summer camp program, please go to** http://www.superhappyhealthykids.com/summer-camp.html.

If you are not familiar with our program, **Super Happy Healthy Kids** is a non-profit, Department of Education approved after school program vendor, and fully insured. Our mission is to engage kids and pass on core values of kindness, leadership and motivation. We are not a tutoring service, but we do assist your children with homework. We believe getting good grades and excelling at school can be fun. We are a **"No Added Sugar After-School**". We do not offer packaged or processed foods. **We offer certified-organic fresh fruits for snacks, and spring water.** We believe we are what we eat, and that unhealthy food negatively affects our behavior, attitude, and focus.

We promote kind words and kind acts in everything that we do. We teach our kids to value mindfulness and winning together. The kids meditate for a few minutes every day. Doing so helps them be more focused, kind, and do better in school. We encourage our kids and their families to say kind words and do kind acts through our activities. Your children will learn to improve their social skills, hone their senses and control their minds and bodies. We have an incredibly fun and professional team dedicated to building up our children to be leaders with strength and compassion.
