Super Happy Healthy Kids Mission Statement

Super Happy Healthy Kids is a non-profit organization which runs a variety of programs for elementary age children. We offer certified-organic fruits as snacks and spring water for our students. We are a "NO" added sugar after-school program. Our mission is to engage kids with fun and valuable activities while passing on core values of kindness, leadership and motivation. **We encourage our kids and their families to say kind words and do kind acts.** We want our children to create the future with strength and compassion.
