We have discovered that other After School programs and Summer Camps have been copying our program, which is a testament to just how good we are. However, their kids won't receive the same heart and spirit that we provide:

- We invest in building character, integrity and responsibility in each child. Priceless lifetime Skills. Each child speaks only kind words and does kind acts.
- We send you photos so you know what your child is up to each semester.
- **We accept Pre-K.**
- We give homework assistance and make it fun.
- We are an old-school, traditional after school program. We nurture each child's unique gifted talent. We encourage our kids to **"Win together."**
- We inspire our kids to follow their hearts, be good friends and a great listeners while deeply appreciating their parents, siblings and teachers.
- We instill our kids with the importance of sincerity and manners.
- We are a **"NO"** added sugar after-school program. We do not offer packaged or processed snacks. Our program provides **certified organic** fresh fruits as snacks. We offer **Spring Water** for our kids. We educate our kids to make good choices. We believe we are what we eat.
- Unlike other programs, we provide fun and enriching activities every day. Your child will receive 10 activities every week. Our program includes material fees.
- We teach our kids how to deal with bullies and how to **NOT** be a bully.
- We believe in raising smart, kinder and gentler kids to have the moral compass to make this world even better.
- We love what we do and our kids know it. We teach them to have **FUN** and to **LOVE** school and their families.
