**Dear Parents:**

We sincerely appreciate and are deeply grateful for your involvement. We couldn't have done it without your support. We are also thankful that we are on-site at PS 110, PS 19, and Children's Workshop School, and can pick-up students from nearby schools. **We are the only after school program to accept Pre-K.** We accept students from Pre-K to 5<sup>th</sup> Grade. We are a "No Added Sugar After-School". We do not offer packaged or processed foods. **We offer certified-organic fresh fruits as snacks, and spring water.** We believe we are what we eat, and that unhealthy food negatively affects our behavior, attitude, and focus. **You can choose us for anywhere between 1 and 5 days per week.**

If you are not familiar with our program, **Super Happy Healthy Kids** is a non-profit, Department of Education approved after school program vendor, and fully insured. Our mission is to engage kids and pass on core values of kindness, leadership and motivation. We are not a tutoring service, but we do

assist your children with homework. We believe getting good grades and excelling at school can be fun.

We promote kind words and kind acts in everything that we do. We teach our kids to value mindfulness and winning together. The kids meditate for a few minutes every day. Doing so helps them to be more focused, kind, and do better in school. We encourage our kids and their families to say kind words and do kind acts through our activities. Your children will learn to improve their social skills, hone their senses and control their minds and bodies. We have an incredibly fun and professional team dedicated to building up our children to be amazing leaders with strength and compassion.

**We will be offering homework assistance and mindful meditation every day, along with 10 different activities each week. – Outdoor/Indoor Sports, Chinese Calligraphy, Martial Arts (Japanese Karate), Spanish Language, Chinese (Mandarin) Language, Yoga, Healthy Cooking/Edible Art, Music, Art and Lego-Mania.**

For the next school year, our after school program will begin on **Monday, September 10th, 2018** and end on the last Friday before school ends, in **June of 2019**.

Thank you to everyone who has helped us spread our message positivity and kindness. We have started a referral program: **For every successful referral, you will receive a \$200 credit toward your child's enrollment in our program.** Our application can be found on our website at [www.superhappyhealthykids.com](http://www.superhappyhealthykids.com). Click Register!, click After School Applications, and download your chosen school's registration form. You can email us at [superhappyhealthykids@gmail.com](mailto:superhappyhealthykids@gmail.com) or text us at (917) 369-0032.

### **Why We Are Different:**

We have discovered that other after school programs and Summer camps have been copying our program, which is a testament to just how good we are. However, their kids won't receive the same heart and spirit that we provide:

- We invest in building character, integrity and responsibility in each child. Priceless lifetime Skills. Each child speaks only kind words and does kind acts.
- We are a “NO” added sugar after-school program. We do not offer packaged or processed snacks. Our program provides **certified organic** fresh fruits as snacks. We offer **Spring Water** for our kids. We educate our kids to make good choices. We do NOT offer cakes, cookies or candies. We believe we are what we eat, and that unhealthy food negatively affects our behavior, attitude, and focus.
- We instill our kids with the importance of sincerity and manners.
- We give homework assistance and make it fun.
- We teach our kids how to deal with bullies and how to **NOT** be a bully.
- We inspire our kids to follow their hearts, be good friends and great listeners while deeply appreciating their parents, siblings and teachers.
- We believe in raising smart, kinder and gentler kids to have the moral compass to make this world even better.
- We are an old-school, traditional after school program. We nurture each child's unique gifted talent. We encourage our kids to “**Win together.**”
- We send you photos so you know what your child is up to each semester.
- **We accept Pre-K.**
- Unlike other programs, we provide fun and enriching activities every day. Your child will receive 12 activities every week. Our program includes material fees.
- We love what we do and our kids know it. We teach them to have **FUN** and to **LOVE** school and their families.
